ABOUT US

Acquaforte= etched engraving

Etched engraving is a complex technique which creates unique and original engravings because the matrix is employed in the production of only a very few copies and then slashed to avoid its being re-used.

This makes each engraving highly valuable and we, as

real “travel engravers”, design tailor made unique itinerary ideas according to your needs.

Our suggestions and our professionalism are the key to create unforgettable and special travel projects, events and activities.

ART AND CULTURE

Based on a good knowledge of every little corner of our art cities, we project together with our clients, cultural journeys with guided visits, paying attention to each smaller details.

Our goal is the realization of special and balanced itineraries.

This is the reason why we study the distances, the routes and

take care of every reservation (hotels, restaurants, transports by car or by bus, always recent and comfortable, assistance, guided tours, museum reservations..).

According to the necessities of our clients, we choose the most suitable suppliers in order to provide appropriate high quality services.

MUSIC AND THEATRE

We can offer booking and reservation service for plays, opera, shows and music festivals thanks to the collaboration with the major Italian theatres and music associations.

We don't simply book tickets, but organize tour programs aimed at music lovers, enriching the stay of your clients with theme guided tours on top of the normal services of assistance, transfers and hotel booking.

HANDCRAFT, FOOD AND WINE

Every Italian city has its history and tradition, which are always associated to ancient professions: our itineraries allow you to visit artisans' workshops, laboratories and factories and our courses with handcraft masters help you to comprehend this fascinating and mysterious world.

Thanks to our expert sommeliers and oenologists, you have the possibility to taste the best Italian wines and to live gourmet experiences.

You will have the opportunity to know the authentic Italian Life Style, combining the best touristic visits to the most delicious food products.

WEDDINGS AND HONEYMOONS

We organize weddings, receptions and honeymoons in the most beautiful palaces, churches, castles, villas and hotels in Italy.

We organize civil, religious, or simply symbolic ceremonies, according to the desires of groom and bride: historical palaces, on a gondola, among the

country and the vineyards, or in garden.

We assist the bride and groom by taking care of all the necessary documents, as required by Italian authorities.

Enjoying this “special day” will be their only worry.
